The following is an examiner's statement of reasons for allowance: In addition to acknowledging the terminal disclaimer which overcomes all existing rejections, the examiner notes that unexpected results have been demonstrated in Table 2 of applicants' specification (see the discussion beginning with the sentence bridging pages 9 and 10 of the specification).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
